R946

The Equip 245115 Wireless Mouse with Dual Connect Adapter offers versatile connectivity with its USB-C and USB-A dual-mode adapter. This mouse is designed for convenience, allowing you to effortlessly switch between devices with different port types. The USB-C and USB-A compatibility ensures broad connectivity, making it compatible with a wide range of devices, including laptops, desktops, and more.

Say goodbye to the hassle of carrying multiple mice for various devices. With this wireless mouse, you can seamlessly connect to both USB-C and USB-A ports, providing flexibility for users with different devices or those transitioning between old and new technology standards.
