R4,105

The STRIKE PRO WIRELESS combines silent Kailh Midnight Pro switches, hot-swappable functionality, and tri-mode connectivity for versatile performance. With dye-sublimated PBT keycaps, per-key RGB lighting, and an ergonomic design featuring a memory foam wrist rest, it offers comfort and customization. The 4200mAh battery, smart scroll wheel, and included accessories make it the ultimate keyboard for work and play.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
