PORTABLE, POWERFUL, TOUGH.

Weightless Power

The perfect sidekick for mobile professionals, the ThinkPad X13 Gen 6 laptop weighs in at less than a kilogram but boasts the power of a Copilot+ PC. Frequent travelers will love the robust selection of ports, while optional 5G keeps you connected when WiFi isn’t available. Built to last, this powerhouse is MIL-SPEC tested for durability.

TACTILE KEYBOARD

Redesigned Keyboard Delivers Productivity & Accessibility

The ThinkPad keyboard still boasts our iconic TrackPoint for navigation, and it also opens quick menu settings when you tap it twice. Tactile markings improve accessibility on Enter, Fn, Insert, power-in port and more. And of course, our TrackPad still reigns supreme.

THINKPAD TOUGH

Durability Your Business Can Rely On

We use the US Department of Defense MIL-STD-810H for a balance of reliability and durability in ThinkPad laptops. Meeting or exceeding 12 standards, 26 procedures, and 200+ quality checks ensure these devices run in extreme conditions, including harsh variables like Arctic wilderness, desert dust storms, extreme temps, pressure, vibration, and more.

PRIVACY & PROTECTION

Security Like Your Business Depends On It

The ThinkPad X13 Gen 6 laptop features multilevel protection with ThinkShield security solutions. Trusted Platform Module encrypts your critical data. Biometrics provide secure login with a fingerprint reader and facial recognition with the optional infrared camera.

CREDIBILITY & COLLABORATION

Sustainability
