Wrist Rest for Desk | Non-Slip Design | 2 Year Warranty

Once you try this gel keyboard wrist rest, you'll wonder how you ever got along without it. It helps to keep your wrist supported as you use your keyboard, to reduce strain and enhance your comfort at work. It's the ideal ergonomic accessory.

Easy to Use

Simply install the gel arm rest next to your keyboard for wrist support whenever you type. Use it on your desk, table, sit-stand workstation, or even laptop. As you type, the gel supports your wrist, providing comfort and slight cushioning. It's so light and comfortable, you'll hardly know it's there.

Designed for Comfort and Support

The innovative wrist cushion for keyboards features a modern design with a cushioned top surface that works like a wrist pillow. It gently cradles your wrist to provide support, helping to keep your hands in a neutral position while you type. The attractive black finish complements most workstations.
