ADATA LEGEND 710 2 TB M.2 PCI Express 3.0 NVMe 3D NAND

Model: ALEG-710-2TCS

Manufacturer: ADATA

EAN: 4711085939470

Product Code: 1197546

R8,200

Enhancing Your Creativity

The LEGEND 710 utilizes PCIe Gen3 x4 and NVMe 1.4 to deliver sustained read and write speeds of up to 2,400/1,800MB per second. It's M.2 2280 specification supports the latest Intel and AMD platforms, including desktop PCs and laptops.

Keeping Things Cool

The LEGEND 710's understated but elegant heat sink design is characterized by a regal blue color scheme with an exquisite golden-colored trimming. The heat sink works to keep temperatures down by 15% for optimal performance and stability.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Helping You Create Better

Creativity can't wait! The LEGEND 710 is equipped with SLC caching and HMB technology (Host Memory Buffer) for seamless productivity.

Protecting Your Creations

With LDPC (Low Density Parity Check Code) and AES 256-bit encryption, the LEGEND 710 ensures accurate data transmissions and security.

SSD Toolbox

SSD ToolBox automatically ensures you have the latest firmware for optimal performance and allows for the monitoring of drive health and remaining life through Self-Monitoring, Analysis, and Reporting Technology (S.M.A.R.T.) attributes. It also lets you keep track of the current operating temperature, capacity, and total space used.
