ease.

Up for Any Task

Do it all with an Intel® Core™ Processor1 and NVIDIA® GeForce RTX™ 20501 paired with up to 32 GB1 of LPDDR5 RAM1 and a spacious 1TB1 M.2 SSD. The aid of Intel® Unison™ helps to ensure peak productivity.

Breakthrough Real-World Performance

Take a revolutionary leap into real-world performance with an innovative hybrid architecture that distributes processing power to where you need it most.

PC and Phone Integration

Intel® Unison™ seamlessly connects with your choice of phone. Transfer files & photos, send and receive calls & text messages, and receive & manage phone notifications all from your PC.

Ultra-Comfortable Clarity

Choose from 14", 15.6", 16" or 17.3” displays, offering up to 1440p QHD1 resolution. Slim bezels provide an expansive view, while Acer BlueLightShield™ safeguards your eyes during long work or study sessions.

A User-Centric Experience

Aspire laptops are equipped with user-centric AI features, including a Copilot in Windows key1, 2 for easy access. Enhance your video calls with Acer PurifiedVoice™ and PurifiedView™ on a 1080p webcam and dual digital mics for seamless communication.

Versatile and Light

With a range of I/O options, easily stay connected with Thunderbolt 4 Type-C1, HDMI 2.1, Wi-Fi 6E1, and Bluetooth 5.3 with LE audio support1. All in a thin and lightweight aluminum1 design made for
