Perfect for on-the-go computing

Boasting powerful AMD Ryzen™ processors, integrated AMD graphics, and impressive 15.6″ FHD display, the Lenovo V15 Gen 4 laptop is ideal for multitasking on the go. With vast amounts of memory and storage, along with WiFi 6, you can connect anywhere there’s access—so you’re sure to get your work or your studies done with ease. Plus, it features Bluetooth® and a range of ports. While the numeric keypad is perfect for any number crunching, the Service Hot Key provides device details, warranty info, and self-service options with a single click.

Security & privacy keep you in control

With the Lenovo V15 Gen 4, your data and privacy are paramount. As well as the latest Windows 11 security enhancements, there's the Trusted Platform Module (TPM) to encrypt your critical information, such as passwords, and even a malware detection to keep cyber threats at bay. Plus, the webcam privacy shutter puts you in complete control of who can see you. What’s more, this device is MIL-SPEC tested to 810H requirements, which means it's designed to run reliably when you need it most. In short, no matter where you’re using this laptop, you can rest easy about getting things done.

Specifications may vary depending upon region / model.
