Experience smoother gameplay with reduced screen tearing and stuttering powered by AMD FreeSync.

144Hz Game Ready

Experience the full capabilities of a high refresh rate 144Hz monitor. Enjoy seamless multitasking, ultra-smooth gameplay, and fluid AI-generated visuals. Ideal for creators, gamers, and innovators alike, this level of performance delivers a visual experience that's both vivid and precise.

HDR Ready can be enabled to provide enhanced contrast.

PerfectEdge Design

The PRO MP245PHG E14 monitor features a PerfectEdge (4-sided frameless) Design making it 37.5% slimmer than standard monitors. With a high screen-to-body ratio of 92%, it offers a more immersive viewing experience with less distraction.

This design not only boosts productivity but also allows for seamless multi-display setups, providing an immersive experience for both work and light gaming.

Built in Speakers

Two built-in speakers (2W) provide convenient audio output for sound / music files, attending online conferences, or video editing without requiring external speakers or headphones.

Premium Eye Comfort

Stay focused and reduce eye fatigue with built-in features designed to help improve work productivity:

Less Blue Light employs software-based filter technology, while retaining a vivid color palate with uncompromising detail.

- Less Blue Light technology*
- Anti-Flicker Panel**
- Anti-Glare Surface

**TÜV Rheinland Flicker Free Certificate Q 50684815, 2025-07-03

Ergonomic Stand

Features a minimalist matte-black 4-way adjustable stand that supports portrait & landscape orientated display:

- Pivot: $-90^{\circ} \sim 90^{\circ}$
- Swivel: $-45^{\circ} \sim 45^{\circ}$
- Tilt: $-5^{\circ} \sim 20^{\circ}$
- Height: 0~130 mm

Mini-PC Mountable Design

Mini-PC Mountable stand design makes the monitor compatible with the MSI Cubi Series mini-PC for an invisible desktop setup.

MSI Power Link

The MSI PRO MP245PHG E14 supports a standard 100mm VESA mount* and is compatible with the MSI Cubi Series mini-PC for an invisible desktop setup.

MSI Power Link with HDMI CEC lets the MSI mini-PC be powered on by the monitor's button, enhancing efficiency and user experience.

*Enjoy a cleaner desktop and superior Cable Management with the MSI VESA Arm MT81 (not included).

Various I/O Ports

A built-in USB Hub can be enabled via USB Type-B upstream cable (included):

- 2 x USB 3.2 Gen 1 Type-A
- 1 x USB 3.2 Gen 1 Type B
