Crisp, true-to-life colors come alive in Full HD 1080p resolution. Movies and games appear more real and dramatic, and small details and text are clear with 1920x1080 resolution in a 16:9 aspect ratio.

Single-Cable Simplicity

Declutter your life and keep things simple with this single-cable solution. One USB-C™ cable hooks up your PM1 display to a laptop, sharing your display and transferring data while also supplying power. With this super-handy cable, you can also connect to your smartphone or tablet.

Wide Viewing Angle

Share what's on your screen with family and friends as colors stay true at wide viewing angles of up to 178° thanks to IPS panel technology.

100Hz Flicker-Free

PM1 provides a comfortable and immersive viewing experience at a refresh rate of 100 frames per second for reduced flickering and a smoother, more responsive experience.

Vesa-Mountable

Featuring a versatile kickstand for easy viewing, which easily doubles as a VESA-compatible mount. Position the monitor your way and optimize your workspace.
