Count on fluid multitasking and busy entertainment with butter-smooth operation that stays bulletproof from day one through year four. Boosted speed powered by TCL NXTURBO 4.0 keeps everything at the pace you want.

Up to 12GB RAM with 128GB ROM

Powerful 4GB + 8GB RAM expansion delivers faster data transfers for resource-heavy tasks with better energy efficiency. Generous 128GB storage holds large downloads, recorded videos, and thousands of photos.

Military-grade shock resistance

Scratch-resistant screen toughened with Corning Gorilla Glass 3 lets you swipe effortlessly and type precisely with clear viewing. For living actively, military-grade tested 1.22m drop resistance brings you peace of mind.

IP64 dust and splash resistance

Enjoy rainy days and sunny beaches freely. IP64-rated dust and splash resistance stands up to rain, wet hands, and water splashes from any direction.

Vivid immersion, bigger thrills.
Enjoy shows, tunes, or games with crisp sights on the large screen bringing cinema-like feel enhanced with speakers boosted by DTS surround sound.

Long-lasting power, no breaks.
Charge quickly and worry less about the long-lasting 5200mAh battery. It works just like new while keeping more than 80% power capacity throughout a 4+ year lifespan[3].

Sharp shots, real moments.
50MP AI hybrid camera

Grab details from afar or up close with clarity. Night scenes or group grins come alive, ready to share.
