Quiet and superior cooling

Pure Loop 2 280mm is the impressively high-performing and silent All-in-One water cooling unit with ARGB illumination for users with overclocked systems. Its all-black design and ARGB on the cooling block makes Pure Loop 2 280mm a true eye-catcher in every PC case. Function, style and usability go hand in hand with Pure Loop 2 280mm, as the refill port and included coolant bottle allow easy maintenance for a long lifespan.
