TORX FAN 4.0

Inspired by teamwork, MSI’s exclusive TORX FAN 4.0 has two fan blades working as one with an outer ring design.

CONCENTRATED

COOLING PERFORMANCE

A 60mm fan is placed within the water block to help dissipate heat for the M.2 SSD, CPU VRMs, and surrounding components.

2.4” CUSTOMIZABLE IPS DISPLAY

The MPG CORELIQUID D Series comes with a 2.4” IPS display capable of displaying hardware information, GIF, MP4, photos, texts, and live weather information.

EVAPORATION PROOF TUBING

MPG CORELIQUID D Series’ tubing is constructed with three layers of netted plastic with a reinforced mesh exterior.

MYSTIC LIGHT COMPATIBLE

Show off your colors with full ARGB customization on the fans and cooling block.

CONTROL IN YOUR HANDS

Through MSI’s exclusive software, you can independently control all of the fans’ speed according to your preference for cooling or for silence.

TOTAL CONTROL IN YOUR HANDS

Everything ranging from MPG CORELIQUID D Series’ fan speed to the ARGB lighting to the IPS display can be adjusted through the MSI Center.
