

**Reengineered performance.
Refined cooling.**

Unleash the power of up to 600W, triple-wide graphics and an Intel® Core™ Ultra processor¹.

Disclaimer:
1. Machines designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's benchmark is a measurement of clock speed. Features and software that require a GPU may require software purchase, subscription or endorsement by a software or platform provider, and third party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.

HP Z2 Tower G1i Intel Core Ultra 7 265 16 GB DDR5-SDRAM 512 GB SSD Windows 11 Pro Workstation AI Workstation, AI PC Black

Model: A40MNET#ABD

Manufacturer: HP

EAN: 199251457999

Product Code: 1207833

R43,382

Mainstream workstation performance—reimagined

Experience new levels of performance for professional workflows. The HP Z2 Tower AI workstation is reengineered to support high-end graphics and seamlessly run both single and multi-threaded apps for fast modeling, simulation, and rendering. Enjoy easy expandability to upgrade, when needs
