Conceptronic 1-Port 20W USB-C PD Charger

Model: ALTHEA14W

Manufacturer: CONCEPTRONIC

EAN: 4015867236451

Product Code: 1208220

R821

This charger features a dedicated USB-C port with USB Power Delivery (PD) 3.0, delivering up to 20W of total power for high-speed charging across a variety of devices. It supports a wide range of output options from 5.0V to 12.0V, ensuring compatibility with both smartphones and laptops. The charger is designed with enhanced safety features, including protections against overload, short circuiting, and overheating, to keep both the charger and connected devices safe. With USB Power Delivery (PD) 3.0 technology, it provides efficient and rapid charging, making it a versatile solution for diverse charging needs.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
