HP Z2 Mini G1i Workstation Desktop PC

Impressive Z mini power. Extraordinary expandability.
Get pro-level performance on a sleek, tiny AI workstation with low-profile NVIDIA RTX™ graphics and an Intel® Core™ Ultra processor¹, including K-Series. Easily upgrade memory and storage² as work evolves with tool-less access.

Slim design. Fits any space.
Create your ideal workspace with a versatile, modern design that can be positioned horizontally or vertically. Set it on a desk, mount it behind a monitor or attach it under a desk. Perfectly suited for rack environments, fit 6 units in a 5U rack.³

Power AI-accelerated workflows
Accelerate AI workflows with the Z2 Mini G1i AI workstation. Iterate and problem solve faster on your local device with a powerful discrete GPU delivering AI TOPS while a built-in NPU⁴ takes on productivity tasks.

Help protect our shared future
At HP we care about the impact our products have on our people, communities, and planet. That's why this device is EPEAT® Gold⁵ with Climate+ and the outer box packaging is 100% sustainably sourced⁶.
