R843

Greenland Clear is a clear impact protective soft case made from 100% recycled and recyclable plastic materials. With easy-to-press buttons and raised edges to protect camera and screen, Greenland offers complete protection of your phone.

Protect Your Phone and the Planet

With Greenland, you don't have to choose between safeguarding your phone and caring for the environment. This case offers exceptional protection, functionality, and design — while minimising environmental impact.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Made from 100% Recycled Plastic

Crafted from GRS-certified recycled materials, each Greenland case prevents the equivalent weight of two plastic bottles from ending up in our oceans and landfills.

Impact Protection You Can Rely On

Engineered to shield your device from drops, Greenland provides 1.2m/4ft impact protection without adding bulk. Raised edges keep your camera and screen safe from harm.

Slim Design

Enjoy a sleek, slim profile that fits comfortably in your hand and pocket.
