Enjoy Delay-free Audio

The wired USB-C™ connection delivers delay-free uncompressed audio ideal for watching movies, playing games, and participating in online meetings or classes.

High-Quality Sound

Clear and powerful sound with 9.2mm diameter high magnetic force neodymium drivers paired with built-in DAC which reduces noise and sound degradation.

Stress-free Online Sessions

The high-quality microphone and uncompressed audio signal deliver clear calls with no sound cutout, and easy connection making it ideal for online business and school sessions.

Compatible with Latest Devices

The USB-C™ connection can be used with most of the latest PCs, smartphones, tablets, etc. You no longer need to carry around several sets of headphones anymore.

Easy-to-use Remote Control

The remote control is designed to be easily identified by touch. Volume up/down buttons, a multi-use button (play/pause/forward/reverse/answer call/hang up), plus a dedicated microphone on/off slide switch for ease of use.

4 Sets of Earpieces (XS, S, M, L)

The included earpieces come in four sizes: L, M, S, and XS. Choose the size that fits your ears best and enjoy a more comfortable fit and better sound quality.
