smooth, reliable performance and the flexibility to personalize play.

Pro-Approved Fit

Designed with input from pro gamers, the Harpe Mini Core carries forward the same shape as the Harpe Ace Mini—crafted to deliver lasting comfort and pinpoint control, especially for claw and fingertip grips. The lightweight 52-gram shell enables precise and easy movement, whether locked in for competitive play or settling in for a relaxed session.

Gaming-Grade Optical Sensor

Speed and precision tuned for gaming performance ensure every strike is swift and effective.

Fast, Flexible and Familiar

Glide, aim, and switch settings with ease. The Harpe Mini Core is designed to keep control feeling smooth, responsive, and intuitive—right out of the box.

Gear Link—

Adjust Settings Anywhere, Anytime

Configure the ROG Harpe Mini Core directly on a web browser, no downloads needed!

Dare to Go Green

As part of ROG’s commitment to creating a more sustainable future, use of plastics in the packaging of ROG Harpe Mini Core has been reduced, accounting for no more than 1% by weight.

For those who dare, join us on our journey as we make the world a better place.
