need more than just a rugged tablet. They need a tablet that is tailored for the indispensable work they perform. And the ET80/ET85 delivers. With support for the advanced wireless connectivity of WiFi 6E, 4G/5G and more, these tablets keep workers connected to the information and people they need, every minute of every shift. As workers move from the field to a vehicle to inside a facility, these tablets can instantly transform into a laptop or a full fixed or mobile workstation to best meet the needs of the moment. Value-add Zebra-only software tools take collaboration and productivity to the next level. And many feature options and accessories allow you to create the perfect tablet for every job. The ET80/ET85 — mission critical mobility for mission critical workers
