The 24" ProLite XB2490HSCH monitor brings comfort and simplicity to the everyday workspace. USB-C connectivity with up to 65W Power Delivery lets you connect and charge a compatible laptop with a single cable, keeping your desk clean and organised. The integrated 5MP autofocus webcam with Windows Hello support and built-in microphone makes video calls and secure sign-in effortless. An ergonomic stand, Flicker-Free technology and Blue Light Reducer help minimise eye strain and ensure comfortable, productive working throughout the day.
