Kensington VeriMark NFC+ USB-C Security Key

Model: K64739WW

Manufacturer: KENSINGTON

EAN: 085896647393

Product Code: 1214588

R1,712

The VeriMarkTM NFC+ USB-C® Security Key delivers strong, hardware-based multifactor authentication. With support for FIDO CTAP 2.1, authentication requires a physical tap via USB-C® or NFC, ensuring only legitimate login attempts succeed, helping to prevent phishing and unauthorised access.

Despite its advanced security capabilities, VeriMarkTM is designed for everyday ease of use. No software installation or batteries are required - users simply tap the key to authenticate seamlessly across devices and platforms across devices and platforms.
