The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The Lenovo ThinkCentre Neo 50q Gen 6 Tiny PC boasts Intel® Core™ Ultra processors and delivers powerful performance for robust computing. Designed to tackle your toughest workloads with AI capabilities, it ensures peak efficiency for every task. Compact yet mighty, it seamlessly fits into any workspace, making it an ideal choice for business.

FORTIFIED SECURITY

Stay Secure: Inside & Out

Enjoy peace of mind with ThinkShield’s advanced security suite. Discrete Trusted Platform Module (dTPM) encrypts data while Smart USB Protection and Secure Wipe 2.0 provide firmware-level safeguards to block USB-based attacks, prevent unauthorized access, and enable Cloud Boot rollback. Plus, the security slot deters physical theft for data-device safety.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
