R12,020

Welcome to the new era of wellness

Wrap health tracking around your finger.

A lightweight titanium frame and sleek, concave design that's so comfortable, you'll forget it's there. Titanium strong and water resistant for all-day wear, with a battery that lasts up to 7 days. 3 built-in sensors monitor your health around the clock. Galaxy AI analyses that data to provide you with personalised health and sleep tips for better days and better nights.

Meet an all new Samsung Galaxy

Sleek, concave design

Stay ahead of the trends with an all new Galaxy that proves high-tech devices don't have to be bulky. The concave design adds an elegant touch to the timeless aesthetic of Galaxy Ring. And its durable titanium frame keeps Galaxy Ring look beautiful throughout all your day's activities.

Three-sensor technology on your finger

One Ring, three-sensor technology. Galaxy Ring is 7mm wide, 2.6mm thick and weighs 2.3g — light and comfortable but fully equipped to track your days and nights.

Battery that lasts up to 7 days

Put on your Galaxy Ring to go to work, to the gym, to bed and repeat all over again without having to charge the battery. Galaxy Ring works day and night with a battery that lasts up to 7 days on a single charge.

AI-powered health tracker on your finger

The more you wear your Galaxy Ring, the smarter it gets. Slip Galaxy Ring on your finger and let it track your health all day. Then, check the Samsung Health app to see the comprehensive health report Galaxy AI put together.

Crystal-clear, functional Charging Case

Even while charging in its crystal-clear Charging Case, the Galaxy Ring is a sight to behold. The delicate glow of the light around the Multi-purpose button indicates the battery charging level. The Charging Case can be charged wirelessly too, so simply place your Galaxy Ring securely in its case when you're on the go, and place it on a wireless charging pad for easy charging

Slim, light.
Fits right day and night
Whether you're typing on a keyboard, cooking or even sleeping, Galaxy Ring's slim form factor and lightweight titanium frame are so comfortable that you'll forget it's there.

Colours that match any style

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. From the weight room to the ballroom, sport the Galaxy Ring for any occasion. Whether it's the subtle sophistication of the matted Titanium Black and Titanium Silver, or the brilliant glow of the Titanium Gold, Galaxy Ring blends seamlessly with your look. Explore the three unique colours of the Galaxy Ring in detail.

10 ATM water-resistant rating

Keep your Galaxy Ring on when you're washing your hands, jumping into the shower or taking a dip in the ocean. Galaxy Ring has a water-resistant rating of 10 ATM — which means it will continue to track your health even when you're drenched.

AI-powered health insights on Samsung Health

Start your wellness journey on the right foot with Galaxy AI-powered insights on the Samsung Health app. Galaxy AI analyses your health data to give personalised tips that you can incorporate into your daily routine. It also sends you alerts when you haven't moved in a while or if your heart rate seems unstable.

Monitor your daily condition with Energy Score

Knowing your condition is the key to unlocking a brighter day. Energy Score is a comprehensive result of analysis on your sleep patterns, activities and HR activity to inform you of your condition with an easy-to-understand score. Plan ahead and move smarter with Galaxy AI.

Stay motivated with Wellness Tips

Get personalised insights through Wellness Tips. Identify health patterns and receive useful advice for your wellness journey.

Rise and shine with better sleep insights

Sleep through the night with your Galaxy Ring on. Together, Galaxy Ring and Samsung Health monitor your overall sleep including sleep stage, sleep pattern, night-time movement, nightly skin temperature, HR and HRV during sleep. Get Sleep Coaching based on the data to improve your sleep

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. habits.

Easily track your cycles with skin temperature

Manage your cycles easier and plan ahead with Galaxy Ring. The Skin Temperature Sensor detects changes in your skin temperature while you sleep. Your temperature data is used by Natural Cycles adapted fertility algorithm to forecast your next period and the start of your next menstrual cycle within Cycle Tracking.

Heart rate monitoring you can count on

Keep close tabs on your heartbeat for peace of mind. Galaxy Ring continuously monitors your heart rate and sends alerts through the Samsung Health app when your heart rate is too high or too low, making sure you stay informed.

Galaxy Ring auto-tracks your walks and runs

Simply place it on your finger and Galaxy Ring will take care of the rest. Galaxy Ring auto-tracks your walks and runs without having to press any start buttons. Check calories burned and other stats on the Samsung Health app to keep track of your progress.

Simply double-pinch to control your phone

With Galaxy Ring on your finger, you can control your paired Samsung Galaxy smartphone with a simple gesture. Just double-pinch with your thumb and the finger wearing the Galaxy Ring to take pictures or turn off alarms.

Trace back to the last location with Find My Ring

Lost your Galaxy Ring? Take a deep breath and open Find My Ring on your Samsung Galaxy device to see the location where your Galaxy Ring was last paired.

Get started with your Samsung account

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

To start using Galaxy Ring, a Samsung account must be registered on your Samsung Galaxy smartphone. Your health data on your Galaxy Ring will be safely transferred and stored in the Samsung Cloud connected to your account, so you can fully access and manage your data.

Find the one

Find the right fit with the Galaxy Ring Sizing Kit. Galaxy Ring sizes may be different from regular ring sizes, so get the Sizing Kit upon purchase to find the ideal fit for your finger. Choose from a selection of 9 sample rings and have it on for more than a full day to ensure that your finger feels comfortable. Once you've made your decision, complete your order on the My order page.
