

Cellularline ESSENCE TURBO 10000 Portable Charger 10000mAh Power Delivery 20W

Model: PBESSPROMOPD10000K

Manufacturer: CELLULAR LINE

EAN: 8018080485886

Product Code: 1214753

R1,079

The ESSENCE TURBO is the portable charger with a 20W USB-C Power Delivery port that guarantees maximum charging speed for next-generation smartphones. Equipped with two INPUT ports (USB-C and MICRO USB) for charging the Power Bank and two OUTPUT ports (USB-C and USB) for charging the smartphone. The design is designed to offer the best performance: the non-slip coating and the soft touch material give it a firm grip and a pleasant feel.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
