EXPAND YOUR VISUAL SPACE

Seamlessly Connect to External Monitors

Take multitasking to the next level with triple display capability — 2 display ports and 1 HDMI® port. Experience brilliant visual clarity — spread out your projects, track multiple activities, and boost efficiency with a setup that keeps everything in view and at your fingertips.

PRIVACY & PROTECTION

Security Like Your Business Depends On It

Choose the optional Intel vPro® platform for multilayer security to block cyberattacks and ransomware. Enjoy maximum security with ThinkShield — including Trusted Platform Module (TPM) for hardware solutions and self-healing BIOS to restore earlier system settings. Secure your PC physically with the padlock loop, optional chassis e-lock, and more.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry-leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
