Unfold. Rotate. Explore.

Every curve, every fold, designed for seamless movement and effortless portability.

The next evolution in noise cancellation

Quiet, down to the finest detail. Powered by advanced processors and an adaptive microphone system, noise cancelling is optimised in real time—so your world stays undisturbed, and your sound stays pure.

Premium sound, co-created with the masters

Hear music as it was meant to be. Co-created with world-renowned mastering engineers, these headphones deliver studio-level precision—preserving every nuance, every note, exactly as the artist intended.

Ultra-clear calls

Clarity in every call. Intelligent beamforming isolates your voice from background noise, so you’re always heard—even when others are talking. Need to mute? Do it instantly, right from your headphones.

Tailor-quality. Masterfully crafted.

All-day wear comfort. A wider headband and smooth vegan leather ensure a pressure-free fit.

Smooth and fast. Ultra-low latency.

Sound that keeps up with you. The WH-1000XM6 are ready for LE Audio, delivering ultra-low latency for gaming and more. Multi-Point and Auto Switch make switching between devices seamless, while the long-lasting battery keeps you connected longer.
