R87,081

The power of creating. The new Creator Z16 HX Studio comes in a gorgeous Lunar Gray and CNC uni-body chassis with the latest 13th Gen. Intel® Core™ i9 processor extreme performance. The 16:10 golden ratio display with the most advanced touch technology, and QHD+ resolution for all your creative needs.

Aesthetics in Design

Based on its people-centric design philosophy, the Creator Z16 HX Studio combines rounded and fluid form with sleek edges, merging both postmodernism designs on its appearance of the product. Creator Z16 HX Studio carries a tasteful and stylish CNC body with its unique color. In a variety of light, the Lunar gray color on Creator Z16 HX Studio changes like the phase of the moon, giving its subtle yet gorgeous details.

The Leap to Singularity

With up to the latest Intel® Core™ i9-13980HX processor, the Creator Z16 HX Studio delivers 8 P-Cores and 16 E-Cores, giving you next generation power to satisfy your multitasking and pro-level processing tasks. The Creator Z16 HX Studio is built for different fields of professionals to push the wheel of creativity.

Your Ideas, Accelerated
by NVIDIA Studio
Creativity that's all in. NVIDIA Studio is your creative advantage with state-of-the-art RTX GPUs that power top creative apps. Ray tracing delivers hyper-realistic graphics, and the Studio suite of AI-assisted tools take ideas from concept to completion, faster. Studio Drivers provide maximum reliability so you can focus on your next big idea.

The 16:10 display echoes the Golden Ratio 1.618, the perfect ratio considered as the law of beauty. This aspect ratio display gives an extra 11% room than 16□ 9 to check workspace and timeline in Adobe applications. With people-centric design philosophy, the Creator Z16 equipped a touch screen for intuitive interactions, letting you create elaborate works seamlessly.

Explore with Detail

Visualize your work with the True Pixel display. Delivering vibrant images with QHD+ resolution, 100% DCI-P3(Typical) color gamut, factory-calibrated Delta-E < 2 out of the box accuracy, and True Color Technology. With the CalMAN verification that offers exclusive data of each panel to ensure your needs are met with a standard. Indulge in the full spectrum of colors.

Vapor Chamber Cooler

With the exclusive Cooler Boost Technology, the brand-new Vapor Chamber Cooler design is a vital part of Creator Z16 HX Studio. The larger heat capacity reduces the noise and temperature, keeping performance stable while using high-demanding software.

Breaking the Boundaries

The Creator Z16 HX Studio provides a 90Whr long-lasting battery and fast-charge technology that adapts to the way you work better than ever. The craftsmanship of Creator Z16 HX Studio defines humanistic aesthetics and science. Crafted ultra-slim 18.4mm metal chassis, the Creator Z16 HX Studio enhances your productivity at any time and anywhere.

Connect to All Possibilities

Creator Z16 HX Studio offers a full set of high-performance I/O ports. Thunderbolt™ 4 offers connectivity with state-of-the-art speed and versatility, supporting up to 40Gbps bandwidth with daisy chain capabilities. With SD Express high speed card reader, save more time when transferring your high-quality videos. Creator Z16 HX Studio provides that extra flexibility to save and share your incredible ideas while staying mobile.
