Blazing Fast Refresh Rate for Smooth Gameplay

Elevate your gaming with up to a 200Hz refresh rate, complemented by a 1ms VRB response time. These features work in harmony to eliminate motion blur, offering razor-sharp transitions and ultra-smooth action for competitive edge in esports.

Seamless, Tear-Free Gaming

AMD FreeSync™ Premium (application in progress) synchronizes your monitor’s refresh rate with your GPU to eliminate screen tearing and stuttering. This ensures lag-free, buttery-smooth visuals for the ultimate immersive experience.

Enhanced Visual Depth

Enjoy rich contrast and vibrant colors with HDR10 support and up to 99% sRGB coverage. These features create a more dynamic visual experience, ensuring true-to-life imagery for gaming, content creation, and streaming.

Customizable Ergonomic Stand

The ErgoStand offers full tilt, swivel, and height adjustments to suit your setup. Reduce eye and neck strain by positioning your monitor at the perfect angle for marathon gaming sessions or extended workdays.
