up to 96GB of high-speed DDR5 memory. Its versatile storage options provide incredible value, uniquely accommodating a full-sized 3.5-inch hard disk or two 2.5-inch drives alongside dual M.2 NVMe SSDs for maximum flexibility on a budget.

Despite its affordable positioning, the XH810 makes no compromises on connectivity. It features triple 4K/8K display support, dual Intel LAN (2.5G + 1G), and up to six serial ports, making it a versatile choice for office tasks, digital signage, or industrial control. An integrated heatpipe cooling system ensures stable 24/7 operation, delivering professional-grade reliability at an accessible price point. The XH810 is the smart, economical alternative to bulky and expensive tower PCs.
