Targus AKP13GL numeric keypad Universal USB Black

Model: AKP13GL

Manufacturer: TARGUS

EAN: 5063194004211

Product Code: 1220425

R1,287

Streamline your workflow with the Wired Numeric Keypad. Whether you're crunching numbers, entering data, or need for the occasional gaming, this keypad delivers precision and comfort.

Its 18 full-size keys offer enhanced accuracy and responsiveness, while the slim profile and ergonomic tilt angle provide lasting comfort during extended use. With a 5-foot USB-A/USB-C cable, plug-and-play connectivity is effortless across a wide range of devices. The keypad is compatible with Windows®, macOS®, and Chrome OS®, and features auto-switch OS detection for seamless setup. Designed with eco-conscious professionals in mind, it’s constructed from up to 85% post-consumer recycled materials – making it a smart choice for both productivity and the planet.

Made from Sustainable Material
