

Lexip FLEX MOUSE wireless mouse with 3D joystick and mouse pad – Anno 117 Edition: Pax Romana

Model: UBXLXBOX039

Manufacturer: LEXIP

EAN: 3760352733588

Product Code: 1220611

R2,372

Designed to combine comfort, precision, and freedom, the FLEX Wireless Mouse Anno 117 Edition: Pax Romana offers a smooth and responsive experience, without any cables. Its 3D analog joystick allows precise control of movement, camera, and zoom, ideal for strategy games.

Lightweight and ergonomic, the FLEX provides a natural glide thanks to its ultra-durable ceramic pads. Its programmable buttons and adjustable RGB lighting allow for total customization according to your gaming preferences.
