UBIQUITI USW-PRO-HD-24-EU L3 Sw

Model: USW-PRO-HD-24

Manufacturer: UBIQUITI NETWORKS

EAN: 810084696637

Product Code: 1220730

R16,097

The Ubiquiti UniFi Pro HD is a robust networking switch designed to enhance connectivity and performance in diverse environments. With a switching capacity of 115 Gbps and support for up to 1000 IPv4 routes, it ensures reliable data management across your network. The device features a 1.3" touch screen display for intuitive operation, making network management straightforward. Equipped with 24 ports, including 2.5GBase-T and 10 Gigabit Ethernet options, this switch offers scalability for increasing network demands.

This Pro HD model is engineered for flexibility, with support for static routing, IGMP snooping, and various Quality of Service (QoS) features. It operates effectively within a temperature range from -5°C to 40°C and can handle humidity ranging from 10% to 90%. Its rack mountable design and included mounting kit make installation hassle-free, ensuring that the Ubiquiti UniFi Pro HD integrates seamlessly into any server or network room.
