IP68 Waterproof Rating, Swim-Ready.

OpenSwim Pro is made for the rhythm of the water—whether you’re gliding through laps or balancing on a paddleboard. Its IP68 rating and triple-sealed build hold steady down to two meters (6.5 feet), giving you confidence in every dive, dip, and stroke.

Stability in Motion.

No more readjusting with slips and tumbles – OpenSwim Pro is engineered for a secure fit. With flexible, ergonomically shaped ear hooks and a nickel-titanium alloy headband, it stays comfortably in place, whatever water sport you choose.

Bluetooth + MP3 Mode.

Dual Functionality,

Built for Water and Land.

OpenSwim Pro switches seamlessly between Bluetooth® V5.4 for use on land and the built-in MP3 Mode* for playback underwater. Move between modes effortlessly using the button or the Shokz App.

MP3 Mode offers 32GB2 for more than 8,000 songs3 in multiple formats* with fast transfer speeds. You can easily organize your tracks and build custom playlists for every session.

Vivid Sound, Even Underwater.

Enjoy clear sound, powerful volume, and rich bass with PremiumPitch™ 2.0+ Bone Conduction Technology. Designed exclusively for swimming, the swimming EQ Mode brings a more immersive underwater experience, with even better clarity when used with earplugs.

MultiPoint Pairing.

Pair OpenSwim Pro with two Bluetooth devices simultaneously, including smartwatches, smartphones, tablets, and more. Switch effortlessly via the Shokz App or button controls for versatile listening.

Customize Your Experience with the Shokz App.

Download version 5.6.0 or later of the Shokz App to unlock even more ways to customize your OpenSwim Pro. Choose your playback order, switch between playlists with ease, and enjoy optimized audio with the dedicated Swimming EQ mode underwater. You’ll also get seamless control of Bluetooth® V5.4 and MP3 Mode switching, MultiPoint Pairing, EQ settings, real-time battery information, and firmware updates.
