

LogiLink NS204 network switch Unmanaged Gigabit Ethernet (10/100/1000) Black

Model: NS204

Manufacturer: LOGILINK

EAN: 4052792070460

Product Code: 1221615

R1,910

The unmanaged Industrial Ethernet switches from LogiLink are particularly suitable for use in harsh environments thanks to the extended temperature range of -40–80 °C. These robust and compact devices enable the connection of several end devices, optionally with power supply via the same Ethernet patch cable (PoE). Due to their flexibility (Giga or Fast Ethernet, with or without PoE) and simplicity (plug-and-play, unmanaged), these switches are not only suitable for industrial applications.
