What’s your edge?

Introducing the motorola edge 60 neo, a phone designed to fit your pocket and your life. More compact and thoughtfully crafted, it’s available in the latest PANTONE™ colors with soft-touch finishes. But don’t let the sleek size fool you. It packs advanced features like a 50MP Sony LYTIA™ camera system enhanced by moto ai(24), so you can capture breathtaking shots effortlessly. Just point and click. And when you want to save something for later, Remember This from moto ai(24) captures, organizes, and makes it easy to find your screenshots, photos, and notes. You get plenty of
