

LevelOne Smart Gigabit RJ45-SFP Media Converter, Compatible with 19-inch rack-mountable chassis

Model: GVM-2000

Manufacturer: LEVELONE

EAN: 4015867243169

Product Code: 1221899

R1,959

The LevelOne GVM-2000 is a Smart Gigabit Media Converter designed to efficiently bridge Ethernet signals between 10/100/1000Base-T and 100/1000Base-X SFP transceiver interfaces. It supports both half- and full-duplex operation and provides versatile fiber connectivity options for flexible deployment in various network environments.

Equipped with an intuitive web-based management interface, the GVM-2000 enables simplified configuration, monitoring, and maintenance—either locally or via SNMP. Users can easily manage key functions such as bandwidth control, duplex mode, port speed, and VLAN configuration. The
