# Mars Gaming MMPRGB2 mouse pad Gaming mouse pad Black

Model: MMPRGB2

Manufacturer: MARS GAMING

EAN: 4710562753493

Product Code: 1222001

## R1,280

The MMPRGB2 mouse pad is the union between the best RGB XXL mouse pad and a two-port USB2.0 HUB to directly connect your devices or whatever you want. It has a nanotextile surface for greater glide, RGB lighting Control by optical fiber and multiple effects to choose from. Transform your setup into a full-fledged operating table and enjoy the most spectacular design.

## XXL design for maximum freedom of play

The MMPRGB2's design offers an optimized surface for the best glide for your mouse, with total freedom of movement for unlimited gaming. Thanks to its XXL size, this mouse pad covers your desk incredibly well and guarantees unrestricted gameplay.

## RGB Lighting Control with 12 effectsAVAILABLE IN 2 VERSIONS

Available in two finishes, black and white-silver. Choose the one that best suits your setup!

## Control hub with 2 USB ports

The MMPRGB2's built-in control panel not only lets you easily select the effect you want to display on your desktop, but also offers 2 USB 2.0 ports so you can connect extra peripherals. Keep your headphones or mouse close by by connecting them through the mouse pad and stay connected at all times. Plus, you can turn off the lighting by holding the button down for three seconds.

## Advanced Features

To counteract the wear and tear from daily use of your mouse pad, the MMPRGB2 features nylon-optimized edges and a durable lighting system, as well as a nanotextile surface that guarantees you the best experience and an extra-thick base for greater stability in your games.

## RGB Lighting Control

Framed by an RGB lighting system Control by optical fiber, the MMPRGB2 provides you with up to 12 different modes (7 solid colors and 5 unique effects) with which to enhance the aesthetics of your desktop.

## Flexible surface

The MMPRGB2 can be easily rolled up for storage when not in use, thanks to a fully flexible RGB fiber optic lighting system. This gives you a spectacular mouse pad that is also comfortable to use and place anywhere.
