Get your time back. Fast and convenient read speeds up to 300 MB/s[1] with the latest USB 3.1 standard give you more time to work, play, watch, and create. Send a 3GB 4K UHD video file from your Bar Plus to your PC in just 10 seconds[2].

Rugged refinement

As strong as it is stylish. The sturdy metal body keeps your data safe and intact, and the integrated keyring prevents accidental misplacement or loss. The BAR Plus is the ideal combination of stunning design and worry-free durability.

Tough & Trusted

Files stay secure, anywhere you go. Samsungs leadership in flash memory makes the BAR Plus a trustworthy drive to store your valuable data. It works through it all with a waterproof[3] , shock-proof[4] , temperature-proof[5] , magnet-proof[6] , and X-ray-proof[7] body, all backed by a 5-year limited warranty[8]
