

ATEN 8-Port USB DVI Dual Link KVM Switch with Audio

Model: CS1788

Manufacturer: ATEN

EAN: 4710423778443

Product Code: 1222576

R20,233

The CS1788 8-Port USB DVI Dual Link KVM Switch is a multi-purpose appliance that consolidates access and control of up to 8 computers from a single USB keyboard, USB mouse, and dual-monitor (DVI-I and VGA) console.

It can be cascaded to three levels – allowing up to 73 CS1788s to control up to 512 computers – all from the original single console, making it ideal for IT applications and management.

In addition, the CS1788 features multi-display functionality, which enables the use of standard USB cables to stack up to four switches for quad-displaying in multiple-monitor installations where each computer is fitted with multiple video cards. It allows you to contrast, analyse and monitor video output in convenient ways, substantially simplifying the working environment.

1x CS1788 8-Port USB DVI KVM Switch with Rack Mounting Kit
