Thats write. Exactly.
S Pen is all about that natural writing feel, with a 0.7mm tip and an incredible 4096 pressure sensor levels. Super accurate, even at an angle or writing with a light touch.

Feels great in your hand

Looks like a pen, feels like a pen—with a familiar size and just 10g, it fits right in your hand. Even the button is in the just right spot.

Right where its supposed to be

S Pen attaches easily on the side by magnet, just below the volume/power key of your Galaxy Tab S7 FE. S Pen can also attach magnetically to the back by the rear camera. Easy to take with you.
