ASUS Garaged Stylus SA304H features a new pop-out design. With a simple push of the pen, you can easily remove it from its garaged position, or store it again when you’re done.

Natural writing feel

ASUS Garaged Stylus SA304H is the perfect match for your compatible ASUS touchscreen devices, giving you the ability to write, draw or add markup in any supported app. Built-in Pen Protocol (USI) 2.0 technology offers ultra-low latency and fast response, allowing ASUS Garaged Stylus SA304H to produce the finest lines and broadest brush strokes. A 4096-level pressure sensitivity2 enables you to create detailed notes or drawings that accurately capture your thoughts.

Accuracy—at any angle

ASUS Garaged Stylus SA304H works at angles up to 55° while exceeding industry accuracy standards2. This results in ultimate flexibility and smooth performance, so you can hold it however you like and keep full control.
