Model: CL6700MW-ATA-GG

Manufacturer: ATEN

EAN: 4710469344220

Product Code: 1222732

R38,484

The CL6700MW DVI Full HD LCD Console is a single rail KVM console featuring a 17.3’’ LED-backlit high-definition widescreen with an integrated keyboard and touchpad in a 1U rack-mountable sliding housing. The CL6700MW’s console provides front end access to compatible KVM switches utilizing space with a module that closes fl at and slides into the rack. The single rail design allows the LCD monitor, keyboard and touchpad to operate independently of each other. Multiple video ports allow the console to connect one of three types of video sources: VGA, DVI, or HDMI - for the console and CPU connection. For added convenience, the full HD console provides two HDMI ports that allow for connecting a high-defi nition monitor to the console port, and/or an HDMI compatible switch to the KVM port.
