Pascal-powered graphics cards give you superior performance and power efficiency, built using ultra-fast FinFET and supporting DirectX™ 12 features to deliver the fastest, smoothest, most power-efficient gaming experiences.

GEFORCE EXPERIENCE

The easiest way to optimize your games and keep your drivers up to date, the GeForce Experience application automatically notifies you of new driver releases from NVIDIA. With a single click, you'll be able to update the driver directly, without leaving your desktop.

LOW PROFILE DESIGN

Low profile design saves more spaces and can build slim or smaller system easier.

MILITARY CLASS 4 COMPONENTS

One of the deciding factors in performance is the quality of the components used. That is why MSI only uses MIL-STD-810G certified components for graphics cards. These components have proven durable enough to withstand the torturous circumstances of extreme gaming and overclocking for extended usage.

AFTERBURNER

MSI Afterburner is the world’s most recognized and widely used graphics card overclocking utility which gives you full control of your graphics cards. It also provides an incredibly detailed overview of your hardware and comes with some additional features such as customizing fan profiles, benchmarking and video recording.
