ATEN CS82A KVM switch Silver

Model: CS82A

Manufacturer: ATEN

EAN: 4710423771581

Product Code: 1222998

R2,608

CS82A is a KVM switch with built-in PS/2 on each of the front and rear panels. It can control 2 servers via a single console and allows users to switch between computers via the buttons on the front panel of the switch or the hotkey configuration on the keyboard. It is the simplest and most convenient solution for multi-computer management. The sturdy, durable and small enclosure design is its important feature.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
