The element of protection

Indulge your adventurous side - motorola edge 50 fusion comes with IP68 underwater and dust protection. Plus, Corning® Gorilla® Glass 5 keeps your display safe from everyday bumps and bruises.

Limitless creativity

Give your inspiration an edge with exciting, easy-to-use camera features.

Flaunt your style

Explore your creativity with a variety of innovative camera features.

Unlock your photo magic

Access even more amazing editing and AI tools, directly on your smartphone, through Google Photos. Magic Editor, Magic Eraser, Photo Unblur, and more will be available to Motorola users starting on May 15, 2024.

Call the shots

Show your palm to the camera to start a countdown timer – then capture four fun poses in four different pictures with Photo Booth.

Play with perspective

Create the perspective you want to emphasize by altering an image’s depth. Shoot portraits with multiple points of focus or generate a miniature effect.

Stunning photos in a snap

Your camera takes care of every detail - from improving white balance, exposure, shadows to instantly adjusting colours and more - with Auto Enhance feature.

Cinematic entertainment

Cinema on the go

Your favourite entertainment comes to life in over a billion shades of true-to-life colour on an endless edge 6.7" pOLED display.

Really smooth

Seamlessly switch between apps, play games, scroll websites. The incredibly fluid 144Hz refresh rate makes everything easy on the eyes.

Infinite contrast. Vivid colour.

Experience the 100% of the DCI-P3 colour gamut, with brighter, more vibrant colours that meet cinematic standards for accuracy, on a vivid pOLED display.

Engineered to excite

Energize your mobile experience with the fast and reliable performance of Snapdragon® 7 Gen 2 processor with unbelievable battery efficiency. Store up to 256 GB of photos, videos, games, and more.

Privacy protection and safe access

Unlock your phone with your fingerprint – simply touch the display glass above the optical sensor. Additionally, manage network security, control app permissions, and even create a secret folder for your most sensitive data with Moto Secure.
