Sony NZONE Mat-F Gaming mouse pad Black

Model: MPDF900B.WW

Manufacturer: SONY

EAN: 4548736171183

Product Code: 1223375

R2,107

6mm thickness. More stopping control

The 6mm thickness provides just enough resistance to support sharper aiming and smoother braking, ideal for low-sens players.

Glide light. Stop strong. With engineered fabric.

The textured fabric allows for easy micro-corrections, with enough friction to support hard stops. Tuned by Fnatic for both finesse and control.

Edge stitching that stays out of play

The stitch line sits below the surface, staying out of your way during gameplay. It’s reinforced to resist fraying and built for long-term durability.

Stable grip with SlimFlex backing

The SlimFlex back layer grips on the desk and resists curling, delivering a flat surface that stays in place, even during intense play.

Cushioned for wrist support

The 6mm base offers soft, even support to reduce wrist strain over long hours of play.

480x400mm. More space to move.

The mousepad is sized to support extended mouse travel, giving you more space.
