The first smartphone to receive SGS Triple resistant Premium Performance certification, with durable protection against drops, dust, and water.

2.5 Meters

Drop

Drop Resistance: Survives drops from up to 2.5 meters.

IPX8 + IPX9K

Water

Water Resistance: IPX8 + IPX9K rated to withstand splashes and rain.

IP6X

Dust

Dust Resistance: IP6X sealed to keep out fine particles like sand and construction dust.

A New Era of Drop Defense.

Ultra tough tempered glass with an industry first multilayer cushioning design, featuring a ballistic-grade damping layer for enhanced shock absorption.

Built for Confidence. Engineered for Reliability.

One Tap Dust and Water Ejection

Automatically expel dust and water with a single tap.

Rainproof Touch Control

Responsive and smooth, even under heavy rain.4Glove Friendly Touch Control

Operate your phone with ease, even while wearing gloves

7500mAh 3-day Battery Life.

The silicon-carbon battery sets a new benchmark for capacity and durability. Engineered for high endurance, it delivers long lasting, reliable power.

Power up Your Devices Anytime, Anywhere.

Doubles as a power bank for convenient, on-the-go charging.

Built for Peak Performance from -30°C to 55°C.

The smart thermal management system actively balances power use in extreme heat and cold, so performance stays steady no matter the conditions.

See Beyond Brilliance.

Redefining what a display can be.

A Brilliant Display

Remarkably Sharp, Beautifully Vibrant

Every Shot,

A Masterpiece.

Capture Stunning Shots Instantly.

108MP ultra high resolution main camera for exceptional clarity at any zoom.

Optical Image Stabilization (OIS) ensures sharp, blur-free photos even in low light.

4K HD Moving

Photo Collage.

One tap creates stunning 4K HD Moving Photo collages you can edit and share—bringing your moments to life like never before.

Unlock a New Realm of Imaging.

Capture the underwater world in vivid detail, revealing every splash of color with stunning clarity.

No Limits.

Just Performance.

All-new Snapdragon® 6 Series

Powered by the all new Snapdragon® 6 Gen 4 mobile platform, and optimized with AI system level resource management for smooth, stable performance.

Fast Performance. No Overheating

Advanced VC cooling combines 5th-gen hexagonal graphite with ultra light stainless steel to deliver faster, more efficient heat dissipation.

Talk it out Live with Google Gemini.

Ask Gemini about anything you see. Share your camera or screen in Gemini Live conversations.
