

The Fairphone (Gen. 6)

Model: F6FPHN-2WH-EU1

Manufacturer: FAIRPHONE

EAN: 8718819372554

Product Code: 1224290

R17,086

Switch to a new smartphone experience—modular, lasting, high-performance, distraction-free, and fairer than ever.

Simply Powerful

The Fairphone keeps pace with your day—powered by the Snapdragon 7s Gen 3 processor, a silky 120Hz OLED display, and a battery that lasts. Everything just flows.

Brilliant 6,3” OLED Display

See more, do more, charge less. The 120Hz LTPO OLED display brings everything to life—sharp visuals, buttery-smooth scrolling, and smart power savings with variable refresh rates. Beautiful and efficient.

Intelligence Inside

Supercharge your productivity with Gemini, your AI assistant from Google

Chat to start writing, planning, learning, and more. Go beyond with Gemini Live, and ask questions about what’s on your phone screen and what’s in front of you.

Beyond Future-Proof

The Fairphone is built to last— iconic modular design, 5-year warranty, and a groundbreaking 8 years of software support. No planned obsolescence. No compromises.

Experience

Fairphone

Moments

Moments is your calm, distraction-free space—activated with the lime switch. It’s more than a focus mode: your entire interface transforms into a minimalist, mindful experience designed to help you stay present.

Switch to be in the Moment

Seamlessly switch between everything you need, and nothing you don’t.

Less Distraction. More Intention.

Moments is a mindful mode, made for those times when less is more. No noise, no distractions—just up to five essential apps of your choice.

Whether you're traveling, focusing, spending time with loved ones, or just taking a break, there’s a Moments profile that’s just right for you.

Every Shot, On Point

Capture rich detail with the pro-level wide lens, or switch to the ultra-wide for the bigger picture—all with the same stunning clarity and color.

Bright, true-to-life photos that bring your favorite memories back in an instant—full of color and detail.

From golden hour to midnight vibes, sweeping views to close-up moments—smart camera modes adapt to every scene.

Capture all

Zoom out, take it in—ultra wide reveals the whole picture.

Focus on What Matters

The camera app is thoughtfully designed to disappear into the background—so you can focus on the moment. Everything you need is right where you expect it: fast, intuitive, and made for the pure joy of taking pictures.

Cinematic 4K Videos

Record in stunning 4K, capture every detail in slow motion, and keep it all smooth with built-in optical image stabilisation.

Impact Innovation

- Crafted from more recycled and fair materials than ever before
- 100% E-waste neutral
- Made climate conscious
- Assembled in fair factories
- Supports better working conditions and living wages

Make it Yours

Function meets form—customize your Fairphone with seamless, integrated accessories.
