Display mobile content on the big screen

This adapter allows you to take video content from your desktop or laptop and display it on any monitor, projector or HDTV featuring VGA input. As long as your device is equipped with a USB-C output, this compact adapter ensures seamless conversion. Use it to enjoy movies on a home projector, mirror your desktop for an expanded workstation or show presentations at school or work.

Enjoy crystal-clear video

The Dell USB-C to VGA Adapter provides crisp, rich video.

Compact size offers easy portability

This plug-and-play adapter is small enough to keep on hand for impromptu presentations for clients or movie nights with friends. The adapter is fitted with USB-C on one end and a 15-pin HD15 VGA on the other, a standard fit for a wide variety of VGA-compatible display monitors, projectors and HDTVs.
