Seagate BarraCuda 500 GB 2.5" Serial ATA III 3D TLC

Model: ZA500CM10002

Manufacturer: SEAGATE

Product Code: 12976

R1,880 ~~R1,995~~

Rev Up Your Computer

Why let your trusty but weary PC slow you down when all it might need is a boost? With a cost-effective Seagate® BarraCuda® SSD upgrade, you can improve the efficiency of data processing and retrieval.

The BarraCuda SSD boots in seconds, allowing you to instantly access data, load games, open applications, and transfer files. You'll be good to go — fast.

Soar to New Heights of Performance

A global leader in storage solutions for nearly 40 years, Seagate understands that read and write speeds play a huge role in the overall performance of your computer. To that point, BarraCuda SSD provides maximum sequential read and write speeds up 560/540 MB/s.

Count on Tireless Durability

Versatile, fast, and dependable, the new BarraCuda SSD is a cost-effective way to handle all your PC needs — working, playing, storing your movies and music, and more.

Tap Amazing Versatility

Thanks to the Seagate BarraCuda SSD, your computer can get into the groove again — complete with rapid boot-up, speedy file access and effortless application loading. Along with offering spacious capacity options up to 2 TB, the SSD lets you stay in the flow no matter how much heavy lifting and multitasking is on your plate.
